Melody Park was well represented at the 2013 Grand Nationals.

What an exciting season we have had in the Show Ring with ponies bred by Melody Park outdoing last year's efforts. It was a very proud moment for the stud and for Maximus to be represented at the 2013 Grand Nationals by Melody Park Heavenly Pearl, Kaesbrook Gladiator, Melody Park Dancing Queen and Melody Park Kings Command. These ponies were a true credit to their owners and riders. It was such a thrill for us, as a very small stud, to have Melody Park Heavenly Pearl in the winning circle and 5 ponies by Maximus compete in Australia's most prestigious Horse Event

We had a lot of fun this year on the show circuit showing Rathowen Summerhayes, who is a full sister to the very successful and Royal Show Champion Rathowen Saxony. Rathowen Summerhayes in her first season qualified for Sydney and Canberra Royal. Summerhayes, at her first Royal Show (Canberra) had a sensational Show placing in all her classes and gave us an outstanding result at Sydney Royal where she was awarded 2nd Place in a very strong 12.2-13h Novice Pony Hack. I would like to personally thank Matt Snell for his dedication to Daisy and a huge thank you to Trina Crawford for piloting the beautiful Daisy to this sensational result.

Melody Park Precious Jewel wins Strong Filly Class at 2013 State Riding Pony Show

Melody Park Precious Jewel recently made her debut as a Yearling at the 2013 State Riding Pony Show and was expertly shown and produced by Brandon East. Precious Jewel looked beautiful out there and behaved like an angel to be awarded the Reserve Champion Show Pony Filly from a very strong line up of beautiful ponies present for the championship.

Melody Park Dancing Queen wins Lead Rein and First Season Pony of the Year at Barastoc 2013.

The Dainty little Melody Park Dancing Queen certainly has been taking the Victorian Show Circuit by storm. Dancing Queen and her 9 year old Rider Tiley Fair have developed quite a name for themselves winning many broad sashes in the First Ridden, Childs and Lead Rein Department! Their latest achievement was winning the Barastoc Horse of the Year Lead Rein under 12.2 h and then going on to also win the First Ridden Pony n/e 12.2h. This Superstar Duo are a gorgeous pair and for such a young horse and rider they have an amazing bond that shines when they hit the Ring!

We wish Tiley and Queenie the best for the upcoming season and we are sure there are going to many more flowers and bows to come!
